## The Invictus Games

Students and parents attended a fundraiser at the Glenorie Bakery on October 3. The Invictus Games is an international adaptive multi-sport event, created by Prince Harry, in which wounded, injured or sick armed services personnel and their associated veterans take part in sports including wheelchair basketball, sitting volleyball, and indoor rowing.

The Glenorie Bakery has been collecting donations with every "Invictus Pie" purchase for the last few months and raised a healthy \$6,000. We all had a fantastic day, decorating cakes and eating pies in support of this worthy cause.

## We need your input

Have you completed the survey? Have your say about the direction of the school. Only 10% of parents have completed our survey, which will make the results inconclusive and not assist us to improve our school. Please log on and complete the survey by 26 October and receive an Ironbark for your children (just tell the office):

The process is now much simpler, just log into this sight and begin the survey:

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/information-for-parents>

## Welcome Back

We hope you all had a terrific holiday and enjoyed two weeks of family fun. We have a very exciting and busy term ahead. Although we will be busy, our core business is, as always, teaching children. Together with you, we look forward to sharing in the excitement of watching your children learn throughout the term. Please keep an eye on the upcoming events to stay up to date on our busy term.

## Kinder Orientation

We will be hosting our first Kindergarten transition session on Monday 22 October. These days are designed for our 2019 students to learn a little more about "big school". For information, please contact Mrs Perry (Assistant Principal) on 9652 1237.

### Student Resources

Hopefully you used the holidays to replace any worn/broken stationery items. If you have not already done so, please ensure your child has new pens, pencils, erasers, etc. by the end of this week.

### Big Thank You

Thank you so much to P.F. Formation and Hills Excavation for donating and delivering the sand for our new sandpit. The students just love it. Thank you for your generosity and time.

### Student Numbers

We are currently taking "in-area" only enrolments for 2019. At this stage it is starting to look like we will start 2019 with 11 mainstream classes, possibly 12. As with this year, there is a possibility that next year our school structure may involve multi-age (composite) classes. We will inform you about possible structures towards the end of this term.

### We need to be Considerate to our Neighbours

Can families who do not have children at Glenorie Preschool please not park in the preschool car park in the afternoons when collecting your children from school. Please be mindful of the signage in the Preschool car park. Thank you for your consideration.

### Stewart House School Clothing Appeal

Stewart House has been working in partnership with The Smith Family for more than 60 years. Their recycling operation helps schools in NSW run clothing drives to collect good quality clothes and accessories for resale or export in Smith Family stores. Our school clothing drive will finish on 29 October.

### Glenorie Performance Night

Our students and teachers have worked hard all year to develop the creative arts in drama, dance, choir, singing and the band. So please hold this special date in your calendar for our students to show off their talents. Doors will open at 6:00pm and a gold coin donation will be collected at the door. No seats will be reserved before that time. Thank you.

**9 November 6:30 pm**

***Assemblies will be held every odd week this term. The first assembly for this term will be held this Friday at 2:40pm in the hall.***

*Become involved in your child's education.  
Enjoy learning!*

Principal

---

I am hoping that everyone enjoyed a lovely break and had a chance to catch up on some reading in the holidays.

- The library timetable for this term has changed slightly, so I thought that I would remind all classes of their borrowing day.

KP: Wednesday	3 /4U: Wednesday
KS: Wednesday	4O: Tuesday
1N: Wednesday	5P: Wednesday
1/2K: Tuesday	5/6G: Tuesday
2L: Tuesday	6H: Tuesday
3B: Tuesday	

- Please ensure that all students have their library bags with them to borrow our books.
- Last term, we held a Chess competition that members of all grades were welcome to enter. I am very pleased to announce that Maya D (2L) won the competition and Fraser D (2L) was awarded 2<sup>nd</sup> place. It was a tough competition, and I would like to thank all students who participated.
- We have MANY new books in the library that were donated from the Book Fair last term. Please encourage your children to borrow a few every week. Students are not permitted to borrow books if they have overdue library books.

Keep reading,  
Mrs Cook

## Stage 3 boosts their brain power with breakfast!

Good nutrition begins with breakfast. Eating a healthy breakfast provides the first fuel of the day for your brain and body, giving you the energy you need to start the day!

On Friday 21st of September, Stage 3; 5P, 5/6G and 6H, indulged in a healthy breakfast along with education about eating healthily. To start off the morning they learnt that the nutrition of a healthy breakfast is important for your mental health and wellbeing and how they affect our body.

Each student took part in bringing healthy foods like fruit, apple juice, damper and traditional Lebanese meals. They learnt amazing facts like how a balanced breakfast contains at least three of the five main food groups of grains, fruit and vegetables and dairy.

The main message of the breakfast was that a balanced breakfast has benefits! Eating breakfast gives you the energy to play and think.
