School Captain Speeches

Students who are nominating for the positions of school captain and vice-captain in 2023 have now received their policy on the process of selection. The speeches will be held on Friday 1st December at 12:00pm in the hall followed by our assembly after lunch. All nominees will prepare and present a **formal speech** to the staff and students. There will be no dancing, raps, comedy acts, slogans or chants. The process is to select School Captains, and capable leaders, not a Talent Quest. Students who wish to perform a performance act on the day will be disqualified from the selection process. Students and staff will be given 1 vote this year on Google forms.

School Attendance

All students in Kindergarten to Year 11 are required to attend school until Friday 16 December 2022, the last day of teaching for 2022. Prior to this date, students in all year groups should be engaged in meaningful work based on the curriculum and syllabus requirements.

If parents are seeking permission for their child to be absent from school for a period of time the Exemption from School - Procedures should be followed.

Parents are required to explain the absences of their children from school promptly and within seven days to the school. An explanation for absence must be provided to the school within 7 days of the first day of any period of absence.

Swimming Program

As mentioned in the expression of interest, this program was limited to 60 students. Letters of offer have now gone home to the first 60 students that returned the expression of interest form. All students should have paid by last Friday. Students on the waitlist have now been offered a place to fill these vacancies.

Band Concert

The school band had an excellent demonstration concert last Monday morning for all our students in the hall. This was to demonstrate our wonderful bands talents but also encourage our new students and Yr 2 students to join the band. Further information on how to join the band in 2023 can be obtained at the front office.

Does Your Child Need Medication at School?

The parents of any student requiring the administration of prescribed medication during school hours must sign a Prescribed Medication Form and notify the school of any possible side effects. Prescribed drugs must be stored in the office area, but children will be required to come to the office at the specified time and receive assistance to take their medication. A record of this administration is kept by the office personnel supervising the procedure.

Please ensure you always send this form with any medication. It can be found in the Notes section on our website and app.

Glenorie Canteen Bucks

Do you want to earn some canteen dollars for your child? Come and work at the canteen for just one shift and your child will be presented a Glenorie \$2 bucks at assembly on Monday morning. Just use the QR code in this week's bulletin to register for a shift.

Canteen News

The Canteen is in full swing, and I am looking forward to this term.

We have started our Glenorie Bucks initiative and I have given out vouchers to children whose parents have volunteered in the Canteen. The children are very excited when they come to redeem their vouchers. I hope this will encourage children to ask their Mum/Dad or Nan to help out in the canteen. We ALWAYS need helpers as at the moment it seems to be a core number of parents that always put their hands up to help. WE NEED MORE PLEASE. Below is a link and a new QR Code to the system we use for the canteen roster. So please click on the link or Scan the QR Code and put your name down to help. The children's response to seeing you is priceless and every time you come in your child is called out in Assembly on Monday mornings to receive their GLENORIE BUCKS.

Donated books to our library

Thank you so much to the wonderful families (and particularly grandparents) who donated books to the Glenorie Public School Library at the Book Fair. Book plates have been inserted into the books so students can appreciate the generosity of our community.

Glenorie Chess Competition

Next week signals the commencement of our annual Chess Competition to be held in the library at lunchtimes. Senior players (Years 5 and 6) will compete in Round 1 on Monday 7th November (Week 5), and Juniors will play Round 1 on Wednesday 9th November (Week 5). Craft Club

Scratch art is when you use a plastic tool to remove a black layer on a card to reveal beautiful rainbow colours underneath. During craft club this week, Year 1 and 2 have amazed us with their talents. Some children used a stencil to create their artwork while others drew gorgeous freehand images. Look at those proud faces. We are so happy to have you join us in, craft club. Remember to listen carefully at Monday morning assemblies, where teachers will invite the next grade or stage to participate.
