# “Just One Thing”

17 October 2019

Dear Parents, Caregivers and Friends,

You are invited to participate in our “Just One Thing” campaign for 2020. We hope to build on the success we had in 2019, and give all Glenorie Public School families a chance to be involved in our school community. We would especially encourage families which are new to the school to get involved. Volunteering at our school is a great way to meet people and make friends.

We have over 190 families attending Glenorie Public School, over 25 of them new to the school this year, and we would be grateful if every family would nominate to do “just one thing” throughout the year. Apart from building up our community, a successful campaign will make a significant contribution to our school’s financial position, and help to keep our school fees as great as possible.

Below and on the next page is a list of “Things” that we would appreciate your assistance with. Please tick just one box (or more if you wish) and place your contact details at the bottom of the page. Please return to the office as soon as possible, so that we can collate the responses, and when the time comes someone from the school or P&C will be in contact with you regarding your participation.

To stay in touch with what the P & C are doing for your school, come along to the meetings, read the newsletter or follow us on Facebook at Glenorie Public School P & C Events.

So please get involved and fill in this form if you are available to help and return to class teacher by Friday 7th February 2020.

Yours Sincerely

Dennise Williams  
P&C President
