## **Re: “Just One Thing” Campaign**

---

Dear Parents, Caregivers and Friends,

You are invited to participate in our “Just One Thing” campaign for 2023. We hope to build on the success of previous years and give all Glenorie Public School families a chance to be involved in our school community. We would especially encourage families which are new to the school to get involved. Volunteering at our school is a great way to meet people and make friends.

We have approximately 180 families attending Glenorie Public School and we would be grateful if every family would nominate to do **“just one thing”** throughout the year. Apart from building up our community, a successful campaign will make a significant contribution to our school’s financial position and help to keep our school fees as minimal as possible.

Attached is a list of **“things”** that we would appreciate your assistance with. Please tick just one box (or more if you wish) and place your contact details at the bottom of the page. Please return it to the school or email it to us on the email address above as soon as possible.

To stay in touch with what the P&C are doing for your school, come along to the meetings which are held monthly, read our section of the School Bulletin and follow us on Facebook at Glenorie Public School P & C Events.

We would appreciate your prompt attention to this so we can reach out to you as soon as possible to get involved in upcoming events! We look forward to hearing from you and seeing you at the school.

Yours Sincerely,

Glenorie P & C
